BIO

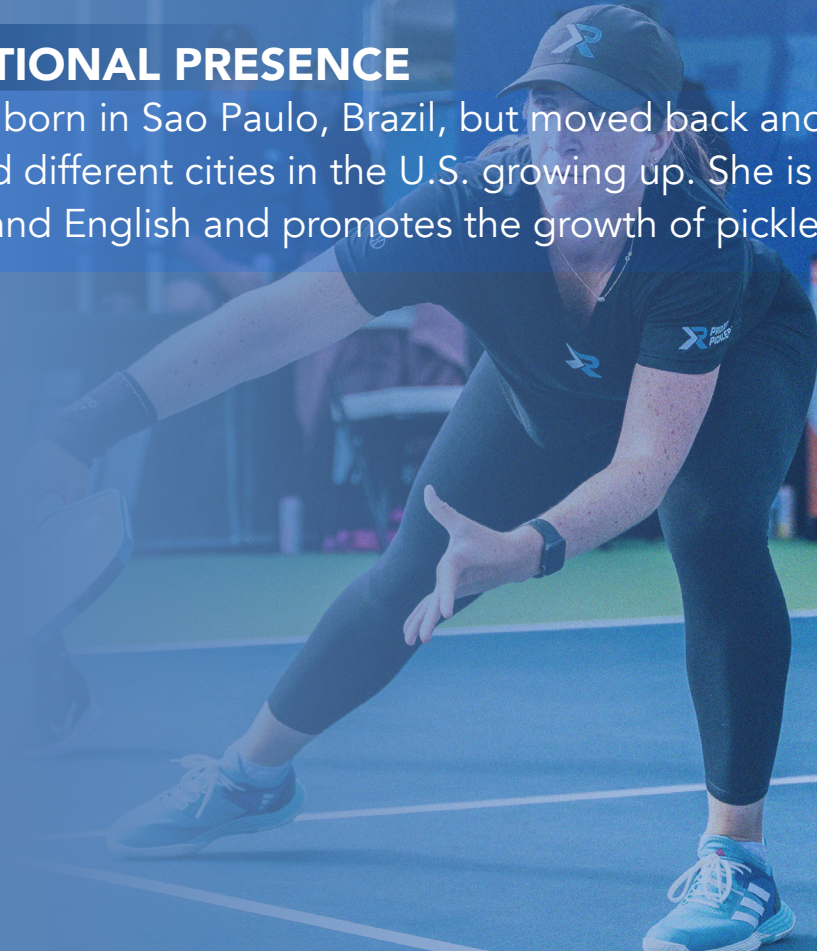

<https://marihumberg.com/about-mari>

Mari started playing Pickleball in August of 2022 and immediately fell in love with it. She competed in her first pro tournament in December of 2022. Her focus in 2023 was to continue improving and competing as much as possible while maintaining her full-time job. In 2024, Mari is excited to be fully dedicated to pickleball.

Mari started competitive tennis when she was 9 and competed in national and international tournaments across 4 continents. At 18, she received a full scholarship to compete for Winthrop University, in South Carolina, and ended her tennis career playing for the University of Louisville in Kentucky with over 100 college tennis wins.

INTERNATIONAL PRESENCE

Mari was born in Sao Paulo, Brazil, but moved back and forth between Sao Paulo and different cities in the U.S. growing up. She is fluent in Portuguese, Spanish and English and promotes the growth of pickleball in the US & Brazil.
