

ALKA STRIPPOLI

SENIOR PROFESSIONAL PICKLEBALL PLAYER

ABOUT ME

Alka is a current player on the senior pro APP, PPA, and NPL tour. Introduced to the sport around three years ago, her passion for competing was reignited.

She played collegiate tennis at Rutgers University where she was inducted into the Athletic Hall of Fame and awarded Student Athlete of the Year.

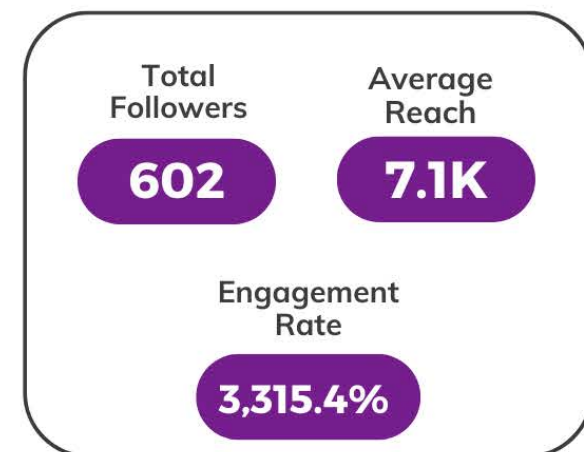

Alka is ranked in the top 20 in senior pro women's doubles on the APP Tour and the newly founded senior pro tour. Her accomplishments include multiple quarterfinal appearances and medals in women's doubles senior pro. She is currently a drafted player for the 2024 APP Humana Cup.

One of her proudest achievements as an athlete was being a member of the winning 2023 NPL Championship team, The Indianapolis Drivers. She is drafted on the Princeton Brusiers this season and hopes to make another great run.

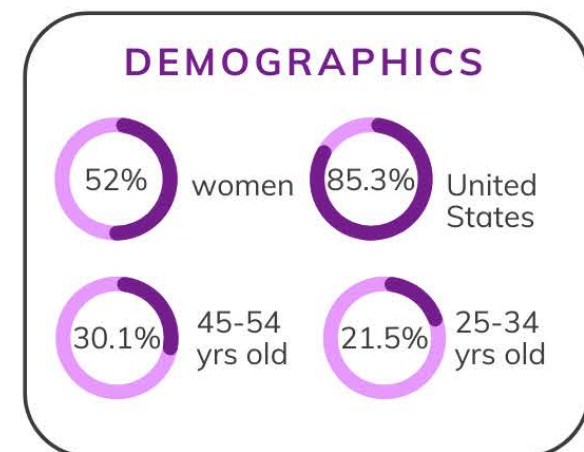

She is most proud of being a wife and mother and says she could not do this without her family by her side.
